Payment & Terms

Deposit

The deposit is 50%. In some instances, we will allow a lesser deposit, so long as the full deposit of 50% is paid 8 weeks before your retreat arrival date. If you are unable to pay in full to secure your retreat date, that is ok. You can just ask us to share a quote and if you are ok with it, we can send an invoice.

We do not block dates out until we have received your deposit. So, to ensure your retreat date is held for you, please pay the deposit promptly. We are unlikely to follow you up if the deposit is not received.

The balance of the payment is due 6 weeks before your arrival.

Change of mind?

Fees do apply if you have booked a retreat and you want to change your booking. Fees apply if:

- You have booked a retreat for up to 18 guests and you change your request to a retreat for upto 11 guests. This fee, to reduce from 18 guests to 11 guests is \$250 so long as you provide 6 weeks notice. Otherwise the full charge for 18 guests will apply.
- You change the date except in the instance that we have another Covid-like situation or government imposed lockdown. In this case, we will work with you to reschedule your retreat.

We hope you understand that when we block the date for you, we are declining other booking requests.

Booking terms headlines

- The deposit is non-refundable
- Change of date and cancellation charges apply:
 - 50% of total booking fee if more than 60 days notice before your arrival date is given in writing.
 - 70% of total booking fee for less than 30 days notice before your arrival date.
 - 100% of total booking fee for less than 30 days notice before your arrival date. That is, there is no refund if cancellation within 30 days.
 - A re-booking charge to reschedule your retreat if the change of date is requested less than 60 days in advance of your arrival date is 30% of the total booking value at the time of making the booking.
